

CHRISTCENTRAL

IMPACT

LET THE ADVENTURE BEGIN

christcentralchurches.org/training

ARE YOU OVER 18? WANT TO TAKE A YEAR OUT FOR PERSONAL GROWTH & TRAINING? IMPACT COULD TURN YOUR LIFE UPSIDE DOWN!

Are you over 18?

Impact is a one year full-time training, development and service programme designed to change your life and build the church. It is a great way to receive biblical training, discover and develop your gifts, grow in character, get involved in church planting and serve God in the local church. It's also great fun!

What does it include?

- Biblical Training
- Missions Training & Experience
- Church-Based Project
- Discipleship

Where will I be based?

You can choose to be based at any ChristCentral church that is running an Impact project. For some students this will be their local church.

Where are the Biblical Training Blocks?

Training will be provided in three blocks based at Barnabas Community Church in Shrewsbury.

How much will it cost?

£500 - covers tuition fees, training block accommodation and incidental expenses at training blocks, the cost of two UK missions, and admission and administration costs. Travel expenses to/from the training base are not included and the cost of living during the year is the responsibility of the student.

How do I apply?

Impact year runs from September to July. For full details and to apply today visit:
