

# HOW GREAT IS YOUR LOVE

CHRIST  
CENTRAL  
WORSHIP

Key: D

---

D                      Bm  
Beautiful Saviour, Seated on high  
A                      G  
Shining in glorious light  
D                      Bm  
Gave up your glory, God become man  
A                      G  
Humbled yourself to the cross

                    G                      Bm  
You have proven your affection  
                    G                      A  
You have shown your faithfulness

D                      Em                      Bm  
    **How great is the love, You lavish on us**  
                    G                      A  
**How great is your love for us**  
D                      Em                      Bm  
    **How fervent, how deep, How strong, how complete**  
                    G                      A  
**How great is your love for us**

Jesus our ransom, paid for in full  
Washed away all our disgrace  
Crowned us with beauty, called us your own  
No longer orphans but sons

                    Em                      Bm                      G                      A  
Your heart is for us God, Your passion burns for us, Your passion burns for us  
                    Em                      Bm                      G                      A  
You're singing over your bride, With love in your eyes, With love in your eyes
