

Witness

Key: G

Em C G D
I will sing about a hiding place
Em C G
Where the hungry heart can feast
Em C G D
Where the song of every nation joins
Em C G
Like the rivers to the sea

I will sing of one who holds me fast
In the grip of perfect grace
Of a King who saw the depths of hell
So that I could see His face

 D Em C G
And I know I'll be a witness to all your glory on that day
 D Em C G
Made holy, made for you Jesus, standing beside you on that day

I will sing of all that's yet to come
When the curtain falls away
When the clouds of darkness yield at last
To the light of endless day
