Victorious, I live in Him, I know now who I am

My identity, is found within his blood

Sin and shame was cast, on Jesus God's own Son

My old ways are dead in Christ, now buried in His grave,

And I identify in Him, His death, in which I'm saved

I live in Christ, my soul to sing, because of what He's done,

Victorious, I live in Him, I know now who I am

My identity, is resurrection life,

Raised from dead I live; a sinner justified

Each new day I am sustained, 'cos Jesus is alive

And I identify in Him, the fullness of His life

I live in Christ, my soul to sing, because of what He's done,

Victorious, I live in Him, I know now who I am

My identity, is in the one who reigns

In the saviour of, the world and I'll remain

I am chosen as a Son, an heir unto the throne

And I identify in Him, as heaven calls me home

I live in Christ, my soul to sing, because of what He's done,

Victorious, I live in Him, I know now who I am,
